

Call for Community Project

(this is not the main Call for Artists)

Deadline: June 15th, 5pm (NDT)

CB Nuit is seeking a collective of 3 or more artists to lead our 2024 Community Project. Inspired by the 2024 theme: **-SPIRAL-**, we welcome groups who want to develop an idea for our community through collective collaboration.

Community Project values and guidelines:

- **Participatory:** project engages participants (from elementary schools and local social groups) to express their creativity
- **Low carbon footprint:** keeping sustainability in mind when choosing materials and processes
- **All ages:** your project needs to be suitable for all ages
- **-SPIRAL-:** project idea aligns with this year's festival theme

***the community project reflects community and environmental health**

The collective will be supported by the CB Nuit Programming Committee to organize class visits, involve local community groups and lead a public creative session the day before festival night.

No previous instructing experience is required. We will work with you to make your project delivery a success!
