

## Call for Community Project Lead Artists

**Deadline: June 15th, 5pm (NDT)**

**CB Nuit is seeking a collective to lead our 2023 Community Project. We** welcome groups (minimum of 5 people) who want to develop an idea together for our community through a collective project inspired by the 2023 theme: **illuminate!**

Community Project values and guiding principles:

- **community and environmental health:** project idea reflects current health and well being for our local and/or global community
- **participatory:** project encourages participants to express their creativity
- **low carbon footprint:** keeping sustainability in mind when choosing materials and processes
- **all ages:** your project needs to be suitable for all ages
- **illuminate!:** project idea aligns with this year's festival theme

The collective will be supported by the CBNuit Community Project Committee to organize class visits, involve local community groups and lead a public creative session the day before festival night.

No previous instructing experience is required. We will work with you to make your project delivery a success!
