## \*100 Fall Friends\*

### Sponsorship Opportunity

CB Nuit is preparing to present our 7th annual award-winning Art at Night Festival! On the weekend of September 16, 2023, we will be presenting incredible artists from all art disciplines, visual, theatre, puppetry, video, projection, dance and movement arts, on our downtown West Street. Audience attendance and feedback have proven that our community is eager to have this event grow and flourish!

We value and support your presence and contribution to our community, and believe that your business, providing service to our community in Western Newfoundland, would be a wonderful addition to our **100 Fall Friends!**

#### ~how we will help your business grow~

- showcasing your business name to thousands of community members
- affiliating with an event that supports the health and well-being of our community
- connecting to an event that has sustainability as a core value
- networking with a successful award-winning event

With your help, we will be able to meet our long-term goal to creatively invigorate, beautify, and economically stimulate our community with this inspiring event for years to come.
